HBA Jobsite Theft Reward Fund | Contribution Form

Thank you for joining forces with your fellow HBA members to combat increasing material theft on jobsites across our Community.

The HBA has partnered with Crime Stoppers to stand up a “Construction Theft Tip Line”. This is an anonymous tip line for reporting theft or vandalism on active construction sites. Through an account set up and managed by the HBA, Crime Stoppers will be able to pay rewards for tips specific to construction related theft. Our Membership has set the reward amount at \$1,000 per tip that results in the arrest of a person or persons removing materials from our jobsites.

We are asking all Builder, Trade Partner & Supplier members to contribute to the Reward Fund, as well as post signage on active jobsites and vehicles. We believe that a collective approach to this issue will result in a significant reduction of theft – the thieves will know that the industry has moved into a defensive posture.

REWARD FUND PROGRAM: We are asking Builder members to contribute \$250 or \$500 – depending on new construction permits pulled annually. To our Trade Partners & Suppliers, please contribute at the \$500 level.

Please complete the form below and return. We can add these contributions to your next billing statement.
