EVENT LINK: facebook.com/events/973508420067350/

JOIN US FOR A DISCUSSION ON POLICY AND STATISTICS THAT IMPACT OUR STATE AND LOCAL HOUSING MARKET. THIS IS THE 2ND IN A SERIES OF 3 COMMUNITY HOUSING FORUMS. HOUSING PRICES CONTINUE TO SOAR AFFECTING EVERY COLORADAN.

SPEAKERS

Tatiana Bailey, Ph.D.: Economist and Executive Director, UCCS Economic Forum

Common Sense Institute Fellows: Evelyn Lim, Director of Policy and Research at the American Cornerstone Institute and Peter LiFari, Executive Director of Maiker Housing Partners

For our second Community Housing Forum, Dr. Tatiana Bailey will share state and local statistics on housing, population, workforce and other areas impacting attainable housing, followed by Common Sense Institute's 2021 Terry J. Stevinson Fellows, Evelyn Lim and Peter LiFari who will present the details of their "Conflict to Compassion: Colorado Housing Development Blueprint For Transformational Change" report. The report details innovative yet practical next steps to up-end the broken housing development value chain.

We will wrap up the event with a Q & A session and discussion with local housing experts about creative ideas and solutions to address our housing crisis.
