

# 2024 ELECTION GUIDE

The following recommendations reflect the values and principles of our membership. Please be sure to vote.

This Election Day, El Paso County voters will have important decisions to make for county commissioner seats and district attorney. There are also important races for U.S. House of Representatives and the state Senate and House.

Members of the CSHBA Political Action Committee (PAC) have diligently researched and vetted candidates running in the county races to make recommendations that reflect the values and principles of our HBA.

The Colorado Association of Home Builder's Political Funding Committee has reviewed candidates for the legislature. In addition, CAHB and local affiliates worked with the NAHB to review the records of national candidates and then make recommendations for support to NAHB's BUILD-PAC for candidates for U.S. Senate and House of Representatives.

We believe these candidates share the HBA's positions on attainable housing, job creation and building the American Dream.

## CITY OF COLORADO SPRINGS QUESTION

### Yes on 2C—Road Improvement Sales Tax

City of Colorado Springs voters will be asked to approve question 2C. This ballot question will extend the city's 0.57 percent sales tax dedicated to road maintenance. The tax currently is set to expire in 2025. Approval of 2C will extend the tax for 10 additional years. Colorado Springs voters first approved the 2C sales tax in 2015 and renewed it in 2019. The city has used the tax to repave 1,600 lane miles, install more than 9,400 new and retrofitted pedestrian ramps, and replace almost 306 miles of curb and gutter and 3.6 million square feet of sidewalk. For more information about 2C and future projects, please visit [ColoradoSprings.gov/2c](http://ColoradoSprings.gov/2c).
