

2025 ELECTION GUIDE

The following recommendations reflect the values and principles of our membership. Please be sure to vote.

The City of Colorado Springs municipal election is set for April 1, 2025. With all six district council seats are up for grabs, this election will clearly shape the City of Colorado Springs for years to come and impact our members who represent hundreds of small businesses and thousands of employees living in Colorado Springs and making their living by building homes.

The members of the CSHBA Political Action Committee (PAC) have diligently researched and vetted the candidates running for council to

make recommendations that reflect the values and principles of our industry.

We believe that each candidate shares the HBA's positions on attainable housing, job creation and building the American Dream.
